TO EEL GROUND FIRST NATION MEMBERS & RESIDENTS

RE: RESPONSIBILITY FOR CARE & CONTROL OF ANIMALS

Dear Members & Residents,

Spring is again fully upon us, the weather is getting nicer and people are out cleaning their yards and walking about the community.

Complaints of dogs on the loose are also on the rise and there have been a number of cases that caused harm to other animals and could have been easily resulted in a child being harmed.

We are working to establish a committee and seeking to work with the SPCA to manage those animals that are repeatedly "loose" throughout the community.

In the meantime we implore you to **restrain your pets.**

If you have any sightings/emergencies please contact our Animal Control Officer Tim SIMON at 210-3203.

Sincerely,

Chief George H. GINNISH
