

COMMUNITY MEMORANDUM

To: Resident Members, Eel Ground First Nation

From: Chief George Ginnish

Date: June 29th, 2020

RE: COVID-19 PANDEMIC AIDE FOR JULY 2020

Please be advised that the Community will be assisting Resident Members who are in receipt of Income Assistance or Regular Employment Insurance.

As most of the funding our First Nation has received has been expended, and there is no promise of further funding from Indigenous Services Canada, at this time, the amount we are providing will be reduced so we can provide one further cheque for August. We will continue to assist our Elders and School Students through the existing food programs for the next couple of months.

We remind all that the Pandemic Protocols will continue to be in place under the Yellow Phase which allows for multiple family bubbles and larger gathering business openings. Please continue to practice Social Distancing, wear a mask when that is not possible, and hand wash and sanitize regularly.

We will advise of any further changes to aide and plans for reopening.
